WHERE A HOME IS

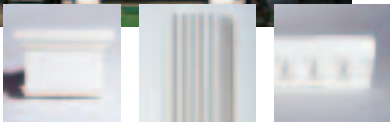

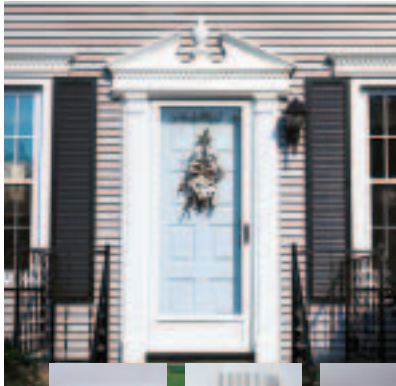

framed IN

curb
appeal

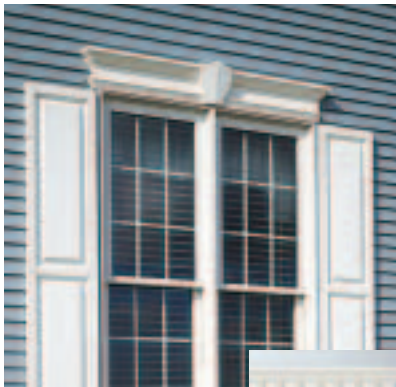

We can't frame it more succinctly: A great home deserves a grand entrance. When you add interest and intrigue to your doors and garage, you create memorable entryways into your life.

DOOR SURROUND SYSTEMS

Inviting and eye-catching, the ideal way to focus your home's look is to center it with Alcoa's stunning door surround systems.

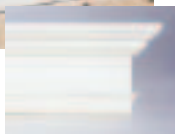

- Sizes to fit most applications
- Made of high-strength polystyrene for low-maintenance beauty and long life
- Available in paintable White as well as more than 700 DreamColor™ hues
- System includes pilasters, mantel, pediment, and urn & mantel overlays

WINDOW MANTELS

Above and beyond. Our mantels are marvelous. Our dentils are delicious. And our keystone overlay is the centerpiece that brings a spectacular statement of design into focus.

- Choose from traditional style or dentil-trimmed design
- Available in 36", 40" and 44" base lengths
- Available in paintable White as well as more than 700 DreamColor™ hues
- Keystone overlays allow mantels to be adjusted to fit wider or smaller windows

MANTEL SYSTEMS

Drive home style and character with Alcoa's innovative, long mantel systems. In flat and dentil-trimmed styles, nothing tops a garage door like this classic look.

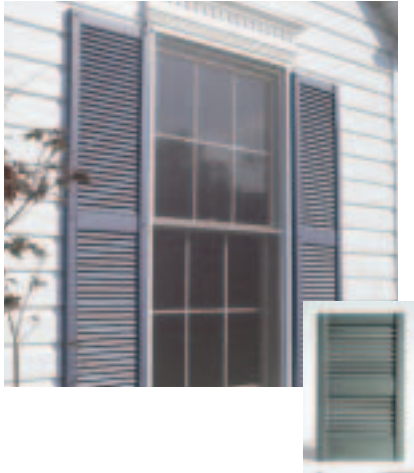

- Perfect for unique-sized or long runs of windows and garage doors
- Choose from traditional style or dentil-trimmed design
- Standard 120" (10') base length
- Endcaps available for both siding and brick applications
- Available in paintable White as well as more than 700 DreamColor™ hues

GO TO GREAT LENGTHS FOR...

great looks

Here's the long and the short of it. From standard widths and lengths to custom sizes for just-the-right-fit, you'll add depth and focus to your home with these picture-perfect frames.

OPEN-LOUVERED SHUTTERS

- Delivers a fresh, traditional look
- Baked-on acrylic finish provides superior resistance to fading
- Standard is available in 12" and 15" widths and 14 different lengths
- Custom is available in 9", 12" and 15" widths and custom lengths from 18" to 96" in 1" increments
- Available in paintable colors as well as 13 standard colors and more than 700 DreamColor™ hues

RAISED-PANEL SHUTTERS

- Provides a beautiful colonial appeal
- Baked-on acrylic finish provides superior resistance to fading
- Standard is available in 12" and 15" widths and 14 different lengths
- Custom is available in 12" and 15" widths and custom lengths from 18" to 96" in 1" increments
- Available in paintable colors as well as 13 standard colors and more than 700 DreamColor™ hues

ARCH & TRANSOM TOPS

Add even greater flair to windows with arch and transom tops. Create a unique design with accents that coordinate with each shutter style.

- Arch top available in open-louvered and raised-panel styles
- Transom top available in raised panel only
- Baked-on acrylic finish provides superior resistance to fading
- Coordinates with each 15" shutter style
- Available in paintable colors as well as 13 standard colors and more than 700 DreamColor™ hues

WHERE YOUR CREATIVE SIDE COMES

outside

Go ahead. Give in to your wild side. Find a corner, pinpoint a dormer, lend panache to a porch. Alcoa serves up a side of endless possibilities with these designer accents.

CEDAR DISCOVERY®

Whether you're going for rustic charm or Victorian grace, Cedar Discovery shingles, shakes and half rounds create intrigue in your home's design. Enjoy the look of hand-tooled cedar shingles with the low maintenance and high performance of premium siding.

- Perfect for accenting gable areas or for covering your entire home
- Patented Tornado-Tough Nail Hem® withstands 180 mph winds
- Exclusive C-Lok™ Continuous Locking System offers twice the coverage of tab systems for easier, more accurate installation
- Patented full-panel side lock delivers tight hold, fast installation and superior performance
- Hand-split shake available in nine solid colors and three variegated colors
- Half-round and Perfection shingle available in 10 solid colors

PRO-BEAD® SOFFIT AND WAINSCOT

Your porch ceilings and sidewalls sizzle with a traditional, just-painted look of Wainscot to break up a large flat expanse in a graceful way.

- Select solid style for Wainscot on porch walls, gazebos sides or to cover your entire home
- Choose from solid or vented styles for soffit applications
- Use matching J-channel for striking detail
- Available in seven standard colors as well as more than 700 DreamColor™ hues

ENVOY® TRIM SHEET

Whether it's a stunning sunburst above a doorway or window or the finishing touches around the roofline, Envoy® trim sheet provides the elegant detail that makes an exterior design come alive. Use Envoy® Trim Sheet to craft virtually any type of custom accessory—from large-scale dentil blocks for historical restoration or contemporary designer accents. Its versatility is limited only by your imagination.

- The industry's finest trim sheet available in ultra smooth or striated PVC for wood grain appearance
- Superior flatness for more perfect shaping
- White smooth trim sheet available in widths from 8" to 24" in 2" increments
- 24" smooth trim sheet available in over 35 standard and 95 competitors colors and more than 700 DreamColor™ hues.
- 24" PVC trim sheet available in more than 25 standard colors and 60 competitors' colors.

WHERE THE means

JUSTIFY THE ENDS

At the corner. Along the top.

Around the edge. No end is left behind, no border is left unfinished without a vibrant array of designer accents that finish and highlight a home's outside character.

CROWN MOLDING

Both sleek and traditional, Alcoa's crown molding gives you the flair you desire with the finish you need to complete your exterior look.

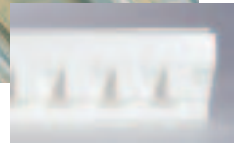

- Classic, 3" profile creates dramatic visual for stately elegance
- Snap-in mounts available with or without J-channel for simple, fast installation
- Available in seven standard colors

DENTIL MOLDING

Raise the roof with classic appeal. Dentil molding is the epitome of the designer's craft separating the roofline from the sides of a home.

- Adds a classic touch to architecture
- Matching end blocks create sophisticated finish
- Built in soffit J-channel for easy installation
- Available in White

LINEALS

Choose either fluted or flat styles to outline the distinctive features of your home with picture-perfect frames.

- 5" corner lineal available in both smooth and fluted styles in white or more than 700 DreamColor™ hues
- 3-1/2" window and door casing lineal available in smooth finish only, five standard colors and more than 700 DreamColor™ hues
- Matching installation accessories

WINDOW CASING TRIM

These wide-width casing options provide a classic finish around doors and windows

- 2-1/2" casing with 3/4" receiver available in five standard colors
- 2-1/2" casing with 1-1/4" receiver available in white

DESIGNER TRIM ACCESSORIES

- Durable vinyl construction
- Selected trim accessories available in five standard colors as well as more than 700 DreamColor™ hues

CORNER POSTS

It's no mere formality. Alcoa's Corner Posts provide a singular statement in style for the most elegant of homes.

- Duplicates the look of authentic corner-board framing without the maintenance
- 5-1/2" smooth or fluted styles in five standard colors with foam-backing for added protection against impact
- 4" woodgrain corner in 18 standard colors, seven industry colors, three variegated colors and 700 DreamColor™ hues
- 4" smooth corner in 18 standard colors and more than 700 DreamColor™ hues
- 3" woodgrain corner in 18 standard colors
- Inside corner post available in 18 standard colors, seven industry colors, three variegated colors and 700 DreamColor™ hues
- 2" smooth bay corner in five standard colors

accents

- Perfect for doorbells and electrical outlets
- Use for a low profile finished look

Recess J-Block®

- Features hinged base for installation around existing electrical receptacles and water faucets
- Tight fit channels water away
- Easy, snap-on cover

EZ Block™ Surface Mounts

- Designed for light fixtures and water faucets
- Available in both octagon and square styles
- Mounts easily to vinyl or aluminum siding after installation
- Sizes available to fit a wide variety of siding profiles

Meter Block

- Developed to mount large accessories such as hose racks and electric meters

INTRODUCING
DREAMCOLOR™

Explore what the right color of designer accents can do for your roofline and siding.

Top: The Classic Solution – Match the white window mantel to the trim for a fresh, clean look.

Mid: The Contemporary Contrast - Add drama by going two shades darker than your siding.

Bottom: The Sophisticated Edge - Push the interest higher with a tone on tone treatment that meets roof and siding in the middle.

imagine virtually
any color,
any shade,
any tone.

With Alcoa's **DreamColor™** for your designer accents, your contractor can show you a baseline of over 700 colors to choose from, plus the option to custom match almost any color of the rainbow from your own color sample.

Selecting the right color combination of siding, shutters and designer accents can add classic lines, a contemporary feel or even a more sophisticated appeal.

And if you need more inspiration, you can have Alcoa's professional designers complete a design recommendation for you at Studio A. Simply log in to www.AlcoaHomes.com for complete details, or contact your Alcoa contractor.

Choose **DreamColor™** for your designer accents and add a new level of distinction, architectural interest and detail to your home.
