# Designer SHINGLES

Take some extra time in selecting the designer color that's right for your house, because with CastleBrook's 45-year limited transferable warranty, these shingles will probably be the last ones you'll ever buy.

CastleBrook™ premium laminated architectural shingles have an enduring beauty, featuring distinctive shadow lines that provide a wood shake look and random cuts that avoid unattractive patterns. The Algae Resistant Standard (ARS) feature offers the homeowner shingles that will remain free of obvious and unsightly discoloration due to algae growth for a guaranteed period of ten years. (See CastleBrook™ Warranty). In addition to the 45-year performance warranty, CastleBrook™ also comes with an 80 mph wind resistance warranty.

If your home deserves the best...it deserves CastleBrook™.

**FINAL COLOR SELECTIONS SHOULD BE MADE USING ACTUAL SHINGLES.**  
*Please consult your Atlas distributor for specific color availability. Colors and shadow lines in the photos and the sample boards should be used as a guideline for your color selection.*

A World Of Difference™
